TEAS®

at ATI

The most effortless way yet to assess student preparedness

Now, your students can test remotely with our proctored solution: TEAS at ATI

Proctored and administered by ATI, this hands-off, online testing solution allows your admissions program to assess students' academic preparedness before admittance. And it ensures you admit only those students you deem most appropriate for your program. Let us do the work.

TEAS AT ATI — TOP FEATURES

Supervised by dedicated and trained ATI proctors

Securely administered via Proctorio's remote-proctoring platform

Both the remote proctored and in-person versions of the exam consist of the same content.

Frequent testing opportunities offered through ATI's online registration system
